GENERAL

All MEETION brand products comply with US FCC standards (FCC ID: 2A706-MT062726), EU CE standards, CAUK standards, and Bluetooth QBB certification.

The product is manufactured in accordance with RoHS standards.

PRECAUTIONS

1. This product contains a rechargeable lithium battery.
 - (1) Do not dismantle, strike, crush, or expose it to fire.
 - (2) Stop using it immediately if severe swelling occurs.
 - (3) Do not place it in a high-temperature environment.
2. Do not use this device near water.
3. Only use a dry cloth to clean this product.
4. Please follow the manufacturer's instructions for use.
5. If the device is damaged, for example, if liquid enters it, if it gets wet in the rain or becomes damp, or if it cannot operate normally, it must be repaired. For repair matters, it should be entrusted to qualified maintenance personnel.

KIND TIPS

If the product is not in use for an extended period, it is recommended to charge it every three months to activate the lithium battery and prevent battery failure due to prolonged non-use.
