ABOUT MEETION

Ever since its establishment, the “Promote the developing of science and technology products, deepen the innovating of science and technology service” have been our business philosophy. A series of fashion design & unique ideas & top quality of gaming and computer accessories have been marketed successfully under that philosophy. Company strength: Owning more than 200 employees ; Factory area more than 10000 m²; Six full automatics production assembly lines; More than 10 full intelligent injection molding machines; Computers and gaming accessories monthly output more than 800,000 sets. We pass and strictly implement the international quality certification system ISO9001: 2015, ISO14001: 2015 and ISO45001: 2018. All of our products pass the international certification CE, FCC, RoHS and REACH, etc.

Because of the good reputation, perfect quality and high level design, a steady stream of products are exported from MEETION to the other countries and regions of the world; and also we have established good relations of cooperation with the well-known IT companies between home and abroad.

At the same time, good reputation, perfect quality and high level design also bring “MEETION” with a quite big market share and recognition from worldwide which belongs to one of our own brands MEETION. We are striving to become a well-known brand. Endless is the road ahead, I shall pursue the truth by all means.
