Dear Customer!

Thank you for purchasing MEETION product. We guarantee high quality and reliable operation of MEETION products, if technical requirements described in User's Manual are observed. Having purchased this product, Customer hereby agrees to warranty terms stated below.

Please read User's Manual carefully, check package contents and correctness of completing warranty card. Please retain warranty card for the whole term of operation life of the product.

With the present warranty card MEETION confirms that its product is free from defects and is obliged to provide free repair or replacement of faulty parts within warranty period which is prolonged for the term of warranty repair. MEETION reserves the right to refuse free-of-charge warranty repair unless warranty terms stated below have been met by a user. All warranty terms are effective within the scope of applicable legislation which assures protection of consumers' rights.

Warranty terms

"Warranty period set by the manufacturer for all kinds of products, is 12 months from the date of purchase.

1. The warranty is valid only at presence of cash or commodity check and if the warranty card has been completed correctly and it contains such details: model name, serial number (if it is foreseen by the producer), date of purchase, signature of the Buyer and stamp of the Seller.

2. Serial number (if it is foreseen by the producer) and model name of the product should correspond to those specified in the warranty card.

3. Warranty repair is carried out within warranty period specified in the warranty card by authorized service centers only (ASC).

4. Warranty for the product expires, if:

- a) Instructions given in User's Manual are not observed;
- b) There are signs of outside interference or obvious attempt of product's repair by unauthorized service center;
- c) There are found unauthorized modifications of construction or electric circuit diagram of the product (Except for cases stipulated in User's Manual);
- d) Product designed for personal (household) needs has been used for profit extraction, production needs, or other purposes which do not correspond to its intended application.

5. Warranty does not cover the following:

- a) Mechanical damages or damages due to improper transportation or storage;
- b) Damages caused by presence of foreign objects, substances, liquids or insects inside the product;
- c) Damages caused by natural calamities, fire, household factors, accidental external factors;
- d) Damages caused by non-correspondence of parameters of power supply, telecommunications and cabling networks to State standards and other external factors;
- e) Damages caused by using nonstandard consumables, adapters and spare parts.

6. Warranty does not cover consumables.

7. MEETION does not assume responsibility for possible damages/injuries directly or indirectly sustained by MEETION products to people, domestic animals or property, if such damage/injury has been suffered as a result of noncompliance with rules or conditions of operation of the product or it's in spallation, deli be rate or incautious actions of a user or third persons."

If any problems occur during operation of the product, we strongly recommend addressing service centers authorized by the manufacturer of MEETION products only, addresses and phone numbers of which are found at **WWW.MEETION.COM** and e-mail: **info@meetion.com**.

I hereby accept terms of warranty servicing.

Signature of the Buyer
